

SBB inaugurates a new school in Haninge with Haninge Municipality as tenant

The school has a lease of 23 years and covers 12,422 sqm. The school is designed for 700 students and for the autumn term 2021, the first students were welcomed to their modern and newly renovated school.

Samhällsbyggnadsbolaget i Norden AB ("SBB") already owns a number of different community service properties in Haninge Municipality and has earlier this year completed a new elderly care home with Haninge Municipality as tenant.

"We are very proud and happy about our collaboration with Haninge Municipality. With this new school, we strengthen our position as the Nordic region's leading property owner of educational properties", says Alexander Hedin, Regional Manager Stockholm, Samhällsbyggnadsbolaget i Norden AB.
