

SBB receives a top ESG rating from Sustainalytics with a low risk profile

Samhällsbyggnadsbolaget i Norden AB ("SBB") has just completed the annual Sustainalytics ESG rating update. SBB's ESG risk is classified as low (10.7 on a scale from 0 to 50 where the limit for negligible is 10) and risk management is considered strong. SBB is top rated among its peers (based on market capitalisation).

"Sustainability is fully integrated into SBB's business model, the Board of Directors and Management see it as our absolute responsibility to do everything we can to limit climate change. We are already an industry leader in social sustainability. This updated ESG rating from Sustainalytics further helps us to show our exceptional sustainability efforts to our stakeholders," says Marika Dimming, IR and Head of Sustainability, Samhällsbyggnadsbolaget i Norden AB.
