Stockholm, October 18, 2016

SSM appoints Casper Tamm as Director of Finance

SSM Holding AB (publ), the leading operator within residential development and housing construction in the Stockholm region, is complementing and strengthening its management team by appointing Casper Tamm as its new Director of Finance.

SSM has appointed Casper Tamm as Director of Finance. Casper, who will begin immediately, is 54 years old and has extensive experience in the role of Director of Finance and Accounting including positions in the international Dow Group, Teracom and most recently from the listed company Swedol.

- Casper has a broad and solid financial background. His previous experience from expansions, acquisitions, IPO processes and listed company environments will add the experience needed for the company's finance and accounting function. SSM is introducing the new position to complement and support the current finance function as well as to secure SSM's capacity to deliver on the company's future plans, says Mattias Roos, CEO of SSM.
- SSM operates in an interesting market and has an exciting offering. I look forward to having the opportunity to participate in the company's growth journey and planned IPO, says Casper Tamm.

As Director of Finance, Casper Tamm will have overall responsibility for accounting, IT and internal control. The current CFO, Ola Persson, will retain his role as head of the company's finance function, however after the organizational change, he will report to the Director of Finance.

SSM Holding AB (publ) is required to publish this information in accordance with the EU's Market Abuse Regulation and the Swedish Securities Market Act. The information was submitted for publication October 18, 2016 at 08:00 CET.

About SSM Holding AB (publ)

SSM is a residential property development company operating in the Stockholm region. Our vision is a property market with room for as many people as possible. What sets us apart is that we build for a specific target group – tomorrow's Stockholmers – and our ambition to develop the most popular homes in the Stockholm region. SSM therefore builds apartments offering good value for money for one–two people, with high functionality per square meter, just outside the city center, close to public transport.
